

Prepare for the ACT and PSAT/SAT with Jeanius Prep!

Jeanius Prep offers innovative test preparation courses throughout the year. Colleges accept either the ACT or the SAT. The ACT consists of five tests: English, math, reading, science, and an *optional* writing section. The SAT consists of five tests: reading, writing & language, math without a calculator, math with a calculator, and an *optional* writing section. Our courses will prepare students for the required sections of either the ACT or SAT. For those students interested in preparing for the optional writing section, we will be conducting *additional* writing classes. The student is expected to complete take-home work. **Jeanne Bern** coordinates the English, reading, and writing sections while **Jeanine Pawelczyk** coordinates the math and science sections. Please contact either Jeanne Bern (708-389-6534) or Jeanine Pawelczyk (815-469-3718) for more information. *We limit the size of the classes, so please register early to secure your seat.* **Each student is expected to bring a calculator and pencil to class each week. For the SAT class, each student will be provided with a copy of *The Official SAT Study Guide*.** We are not affiliated with the institution from which we rent classroom space.

ACT Courses	Day	Time	Dates	Cost	Optional Writing	Writing Cost	Location
